Hong Kong is in Southern China. It is one of the most crowded regions in Asia. There are many famous attractions. Also there are many shopping malls. Besides, there are some museums. You can taste food from different countries in Hong Kong. I am going to introduce two tourist attractions to you.

In the morning, we will go to Hong Kong Ocean Park. It is located on Hong Kong Island. It is one of the theme parks in Hong Kong. There are many exciting rides. First, we will ride on the cable car and look at the wonderful view. Then we can go on the exciting rides. For example, The Flash, The Abyss, Wild Twister and Mine train. Hair Raiser is the most popular roller coaster. In addition, we can watch the fantastic show at the Ocean Theatre. After that, we will also go to Tuxedos Restaurant because we can look at the penguins white eating. We can eat French fries and Malaysian laska with king prawns.

At night, we will go to Tsim Sha Tsui. It is one of the popular attractions in Hong Kong. It is located in Kowloon. You can take photos of the Avenue of Stas. People can see more than 100 handprints of famous celebrities. Besides, we will have dinner. We can eat delicious ramen, sushi, salad and soup.

Don't forget to watch the Symphony of Lights at the Victoria Harbour. It is a great place to visit with your family. Make sure you bring your camera. I wish you have an unforgettable time on this trip.
