**My Resolutions**

I want to be a good girl, so I reflect on myself and try to make improvements.

Sometimes I fail my English tests. Therefore, I'm going to do more English exercises. I'm going to do more English revision. I am going to keep a diary in English and read more books in English. Then, I'll be good at English. I won't fail my tests anymore. I'll get an A on my English test.

I'm too thin. Therefore, I'm going to eat healthier food, for example, dairy products, grain products, vegetables and fruit.

I'm going to do more sports. Then I'll be fit. I'll be strong and healthy too. After that, I will be a good girl.
