**My Resolutions**

I want to be a good boy, so I reflect on myself and try to make improvements.

I always get bad grades in Chinese and Maths. And I found my Maths grades are poor. I want to get good grades for my Chinese and Maths tests. I'm going to do more Chinese and Maths exercises. I will watch less TV and play less electronic games. Therefore I will have more time to do revision. Also, I'm going to watch more news and Chinese and Maths programmes.

For my bad eating habits, my family, doctors and friends always said I'm too weak and too tall, like a giraffe. I want to be stronger and healthier than before. I'm going to do more sports so I can get more muscles and I'm going to eat more fruit and vegetables. I'm going to eat more rice and less meat, so I will be fit and strong.

For my bad living habit, I always get sleepy at school. I

hope I won't sleep at school anymore. I'm going to sleep early  
at night.
