**My Resolutions**

I want to be a good boy, so I reflect on myself and try to make improvements.

I always get low marks on Chinese tests. Therefore, I am going to do more revision before Chinese tests. Moreover, I have poor writing skills, so I am going to keep a diary. Then my writing skills will be better.

Also, I have some problems with my eating and living habits. First of all, I eat too much sugary food, so I am going to eat less sugary food like sweets and chocolate. Then I will be fit. Moreover, I have bad living habits. I watch too much TV! Therefore, I am going to watch less TV. Then I can spend more time on reading.

I am going to be a better person!
