Hong Kong Special Administrative Region is a crowded lively and bustling international city. It's located in Southern China. It was a former British colony before the year 1997. It is a famous shopping paradise and the gourmet capital of the world which attracts millions of tourists all over the world to visit this city every year.

Ocean Park is a famous theme park in Hong Kong. It's located in Aberdeen. You can watch dolphin shows, go on rides, look at pandas and ride on a cable car there. It's fun. If you are hungry, you can have French fries, fruit salad, ice-cream, hot dogs, sandwiches and noodles in the park. They are yummy. Besides, there will be a waterpark opening in this summer too.

The Peak is another tourist attraction which many visitors visit when they come to Hong Kong. At the Peak, you can look at the view, visit a Trick Eye Museum, go hiking, go shopping and ride on the Peak Tram. After going hiking and visiting there, you can have some dim sum, spaghetti, hot dogs, hamburgers and pizza in the nearby restaurants. The food there is delicious.

Hong Kong is definitely a recommended place for everyone because it is a great place to visit for all families. You will discover the trip to Hong Kong is very exciting and unforgettable. Don't forget to buy some souvenirs for your best friends before leaving.
